Book a timeslot: → Watch a video tutorial on t
In order to book a timeslot, click on „Carrier" and rgoMarket and Location of the Shipper, where you want to book a timeslot. Now select the date you want to book on. Gray slots are not bookable, gray striped slots are already booked by another carrier, and white slots are boo on your preferred white slot to mark it with a red frame. Click on the "Pre-book" button, which you will find to the right side of the calendar/datepicker. The booking-window is now open an you can proceed with your booking in

Save a profile for bookings: → Wa
As soon as you have entered all infor file. Just enter a name for this profile in the booking window. Now, when you save and confirm your booking, the profile will be automatically saved alo iver, etc.

Book a timeslot using a saved pro
Mark your preferred free slot and clic v select the preferred profile from the drop-down on the right. The information saved with the profile will be automatically filled out in the booking window. If you wish, you could also change the pre-filled information and go ahead to save the booking.

Move a booked timeslot: → Watch a video tutorial on the subject
Click on a slot you have already booked to mark it with a red frame. Now cut it with the scissors button, which you will find to the right side of the calendar/datepicker. Now mark the free slot to move the booking to and click on "Paste", also on the right side of the calendar.

Extend a booked timeslot: → Watch a video tutorial on the subject
If the shipper has allowed it, a timeslot could be extended or shortened using the arrows to the left or right inside the slot. A mouse-over makes the arrows visible.

Delete a booked timeslot:
Click on the booking you want to delete to mark it with a red frame. Now click on the "Cancel booking " button to the right of the calender.

Show a list of my booked timeslots: → Watch a video tutorial on the subject
Click the „Bookings" tab in the lower navigation line. The tab shows you a table with of all your bookings for the current day. You can narrow the results using the "Search" link in the upper left corner. A click on the colored status-point opens the booking window and shows you the current status of the particular booking. A click on the magnifier also opens the booking window and shows you the booking details.

Booking status:
The tab „Process details" in the booking window shows you the steps of the timeslot process which were set by the shipper. (e.g. arrived at factory, truck at ramp, left ramp, truck left factory, etc.).
Blue point means: the process hasn't started yet
Orange point means: the process has started
Green point means: the process is finished
Red point means: delay, process behind schedule
Red circle to an orange or green point: delay at a certain stage of the process

Mouse over *"Help"* and click *"General Help"* for further help and videos.
