| <b>Action Level 2</b> | 5 Points   | <input checked="" type="checkbox"/> |
| <b>Action Level 3</b> | 7.5 Points | <input checked="" type="checkbox"/> |
| <b>Action Level 4</b> | 10 Points  | <input checked="" type="checkbox"/> |

### Criterion 08 Sustainable Resources - Ecological Quality\*

|                       |           |                          |
|-----------------------|-----------|--------------------------|
| <b>Action Level 1</b> | 1 Points  | <input type="checkbox"/> |
| <b>Action Level 2</b> | 5 Points  | <input type="checkbox"/> |
| <b>Action Level 3</b> | 10 Points | <input type="checkbox"/> |

\* This criterion is only applicable to wooden materials.

### Product Characteristics

Styrene-free 2-component special compound mortar with approval for the fixation of middle- and heavy loads in cracked and non-cracked concrete.

### About DGNB Products - [www.dgnb.de](http://www.dgnb.de)

This declaration helps to assess products easily according the certification system DGNB® Neubauversion Büro- und Verwaltungsgebäude (NBV09). Products are not reviewed or certified by DGNB. DGNB credit requirements cover the performance of materials in aggregate, not the performance of individual products or brands. Therefore the project team or the manufacturer is responsible to declare the compliance with the project requirements to achieve DGNB points.

Below you find an explanation of the symbols. Detailed information are on the next pages.
