

(English translation, the original version is in French)

In compliance with the Directive 89/106/EEC of the Council of European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to the construction products (Construction Products Directive – CPD), amended by the Directive 93/68/EEC of the Council of European Communities of 22 July 1993, it has been stated that the construction product:

Würth nails NG CSM-1 SLB, NG CSM-1 HFB and NG CS-2 HFB for gas actuated pin driver DIGA CSM-1 and DIGA CS-2 POWER

Use category:

Power-actuated fastener for multiple use for non structural application in concrete

Particular conditions applicable to the use of the product:

See the detail of the conditions in the chapter 1.2 of ETA

placed on the European economic area market by:

Adolf Würth GmbH & Co. KG

Reinhold-Würth-Straße 12-17
74653 Künzelsau-Gaisbach
DEUTSCHLAND

and produced in the factory:

Plant 24

was submitted by the manufacturer to the initial type-testing for the relevant characteristics of the product, is submitted by the manufacturer to a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan and that the approved body – CSTB – has performed the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control (system 2+).

This certificate attests that all provisions concerning the attestation of conformity of factory production control described in the technical specification in reference:

"European Technical Approval ETA-12/0452 valid from 13 November 2012 to 22 May 2017"

are applied.

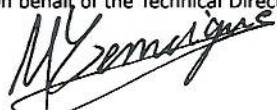

This certificate can only be used in conjunction with the declaration of conformity of the product written by the manufacturer or his authorised representative established in the European economic area and with the technical specification in reference.

This certificate is first issued on 13 May 2013 and, except for withdrawal or suspension, remains valid as long as the conditions laid down in the corresponding technical specification in reference or the manufacturing conditions in the factory or the factory production control itself are not modified significantly and latest on 22 May 2017.

The list of the conformity certificates issued by CSTB is kept up-to-date by the CSTB.

Issued in Champs sur Marne, on 13 May 2013

For CSTB
On behalf of the Technical Director

Yannick LEMOIGNE
